

# Foundation Studies Programme (SCIENCE - BUSINESS)

## AN INTERNATIONALLY RECOGNISED FOUNDATION STUDIES PROGRAMME IN KINGSLEY INTERNATIONAL SCHOOL

We are offering the RMIT Foundation Studies Programme to all high school graduates who are looking to continue their degree pathway worldwide.

Students will study RMIT resources and teachers who teach the programme will be trained how to deliver the RMIT programme. All examinations will be administered by Kingsley International School under the supervision of RMIT. At the end of the Foundation Studies programme students will receive a certificate awarded by Kingsley International School and RMIT.

The Business and Science Foundation Studies Programme is a unique offering, giving students the choice between obtaining the A Level certification or an Australian, RMIT Foundation Studies certificate for undergraduate applications in the future.
